OUR HYGIENE CONCEPT FOR YOUR SAFE STAY

Dear Guests,

it is very important to us to make your stay with us at Hotel Der Blaue Reiter as pleasant and safe as possible. For this purpose, we have developed **our own hygiene concept**, in order to be able to offer you and also our employees the highest possible safety. The measures are constantly adapted to the official regulations.

GENERALLY VALID IN OUR HOTEL THE FOLLOWING RULES

- Our doors in the entrance area open automatically to minimize direct contact
- Disposable masks (mouth and nose protection) can be purchased from us at any time
- Our rooms are aired regularly
- Our ventilation systems run with a 100% outdoor air component. This means that room air is extracted and fresh air is supplied - without mixing
- Disinfection dispensers are available in all public areas
- Neuralgic areas, such as Door handles are cleaned and disinfected at regular intervals in accordance with hygiene regulations
- Quick check-in and check-out is possible with credit card
- We send invoices on request by e-mail

THE ROOMS

- Hygiene and cleanliness have top priority. For this reason, our hotel rooms are disinfected several times. After the cleaning process and control, all surfaces and touch points are disinfected a second time by the housekeeper and subsequently logged
- Upon request, steam disinfection is carried out of the rooms for an extra charge of 10,00 €.
- Our laundry has been awarded the quality mark RAL-GZ 992/1:2019. The processing of the laundry takes place at 70° Celsius
- We use standard antiviral detergents
- For an extra charge, we will gladly provide you with an air filter in your room. The surcharge for this is 10,00 €
- Tablets with many interesting ideas and Suggestions about the hotel and Karlsruhe can be found in every room
- Short distances to the rooms, which can also be reached without an elevator

THE ARRIVAL

- Observe the country-specific regulations
- If you feel ill in any way please stay at home
- **We recommend that you take out Travel Cancellation Insurance**

THE CONFERENCES

- All rooms are equipped with generous window fronts for ventilation
- In the conference rooms on the first floor, the ventilation systems always run with 100% fresh air. This means that room air is extracted and fresh air is supplied - without mixing
- Our meeting rooms are equipped with an air purifier that continuously measures the air quality and purifies the room air
- We offer great spaces to bring people together but keep the distance
- Meeting like outdoors - The large meeting and event rooms have direct access to the garden or a terrace
- Coffee breaks can take place in our meeting rooms or on our terrace in the hotel garden to avoid contact with other people
- In our modern meeting rooms we offer innovative meeting technology to reduce contacts
- On request, we provide hybrid conference technology so that those who cannot be there do not miss anything
- In our dining room or winter garden you can end a culinary evening exclusively and without other guests
- As a conference hotel that has received several awards and is recommended by the BDVT, we consider it our duty to offer you the best conference conditions in the region
